EDUCATION AND TRAINING

[09/2023 – 06/2025]

Superior degree on multi-platform software development

CIFP Villa de Aguimes <https://www.cifpvilladeaguimes.es/>

City: Las Palmas de Gran Canaria | **Country**: Spain |

During my studies, I have developed strong skills in Java and SQL, working with databases such as PostgreSQL, Oracle, MySQL, and SQLite. I also have experience with JavaScript and JavaScript-based frameworks like React and Next.js, using both JSX and TSX. For mobile app development, I have worked with Kotlin, React native and Flutter. I also have solid experience building responsive web interfaces with HTML, CSS, and Tailwind CSS.

[2020 – 2023]

Degree in computer science (Not completed)

Universidad de Las Palmas de Gran Canaria <https://www.ulpgc.es/>

City: Las Palmas de Gran Canaria | **Country**: Spain |

Dropped out on my second year to pursue more work oriented experience although I intend to finish them eventually

[2013 – 2018]

High School

UE Generalísimo Francisco de Miranda

City: Valencia | **Country**: Venezuela |

WORK EXPERIENCE

Reply next <https://replynext.com/>

City: Las Palmas de Gran Canaria | **Country**: Spain

[10/03/2025 – 15/05/2025]

Web developer at Reply Next

My internship at Reply Next consisted in the creation of new functions, style changes and general maintenance of the app, mainly working on front end, an example of my work would be Reply Next's main page.
